Joe,  
I have enjoyed going to  
school with you. You have a  
very sparkling personality and a  
life & job that will carry you  
right on life. If it is used in the  
right way.

at CHS and thinking about everyone  
& remember all of you.  
Remember as a girl who was always  
dancing.

Free ya!

Debbie

Fae  
going to school with X  
past two years. Even though  
we did not know each other  
personally I have watched  
you and thought  
things about you.  
God Bless and keep  
you in these rest  
years. That you will  
face in school.

A friend always,  
Carolyn  
Martin

Joe,  
It will be  
a long time before  
I forget that summer and  
you staying and knowing and  
are. Don't stay as cute, and going to see me.  
Besides she is to come up in July or Aug wt. just  
reminds me and our good timer. I love you bunches.  
(Mary Ann  
Dammar  
6-44)

as you  
summer.

in July or Aug wt. just

You're a wonderful little guy with a matching personality. I have had a lot of fun with you in 4<sup>th</sup> period. And I hate to see it all end.

I'm leaving ole C.H.S. this year, so take it - you can have it. I was only kidding. This place holds a lot of wonderful memories for me, some that I'll never forget.

Did you know that you're a good dancer. Keep that dancing spirit, and show them all how to do it.

Always be sweet, and remember "ole Ruthie". I never forgot you. You're real cute, and if you'll study and work hard the future will hold success for you.

May God bless you and keep you in his care. I love you.

a friend always,

Ruth Mattson
